

MUSEUM

IN A

TRUNK

Shine a light on our history with a Panama Canal Museum in a Trunk

Have you often thought that young people need to learn about the Panama Canal?

Beginning in 2008 the Panama Canal Museum has received annual grants from the Pinellas County Cultural Affairs Department, FL, to develop educational outreach programs. Our goal is to place traveling trunks containing educational materials about the Panama Canal in the more than 15,000 school districts in the United States.

Would you be willing to help us?
Do you want to know how?

**Become a sponsor of a
Panama Canal Museum in a Trunk.**

Education Curator, Kalika Novoa, with students, teachers, and principal at Liberty Middle School in Tampa, FL.

WHAT IS THE TRUNK?

Your sponsorship will underwrite the costs of the museum's educational outreach programming. The Museum in a Trunk includes lesson plans, PowerPoint presentations, maps, DVD's, books, Panama Canal related artifacts, and even a teddy bear. Trunks will then be placed in school districts throughout

in the United States for teachers to use in their classrooms.

You, your family, your business, or even your reunion class can sponsor a trunk for only \$1,500.

A sponsor plaque will be placed on the trunk and you will receive full credit for your donation on the museum's Wall of Honor.

Sponsorship Form

Yes, I, my family, my business, or my reunion class would like to sponsor a "Panama Canal Museum in a Trunk."

Name: _____
Title: _____
Business: _____
Address: _____
City: _____ State: _____ Zip: _____
